## 3Shape CLINicare™

CLINicare™ keeps you up to date with the latest advances in digital dentistry. Included as part of your annual subscription, CLINicare™ provides you with in-person training, the newest industry tips, tools, best practices, software upgrades, and global support to future-proof your investment and maximize your clinic's uptime.

### Expert Training

Already from day-1, TRIOS® experts will install your system, help you connect to the lab, and demonstrate scanning techniques. From then on, the 3Shape Academy and partners can provide educational seminars, hands-on training, webinars, and tips & tricks.

- ✓ Onsite personal assistance to install your system and establish connectivity to the lab.
- ✓ In-the-clinic training by 3Shape certified experts.
- ✓ Open 3Shape educational seminars and training courses at selected events and 3Shape centers.
- ✓ Free online training webinars for all subscribed TRIOS® users.
- ✓ TRIOS® Training Center – your resource for the latest learning materials, scan technique guides, instructional videos and manuals.

### Unlimited Upgrades

We include unlimited software upgrading as an integral part of the CLINicare™ package to automatically and regularly empower your TRIOS® system with the latest indications, impression tools, and new features that enhance the user experience and clinical performance.

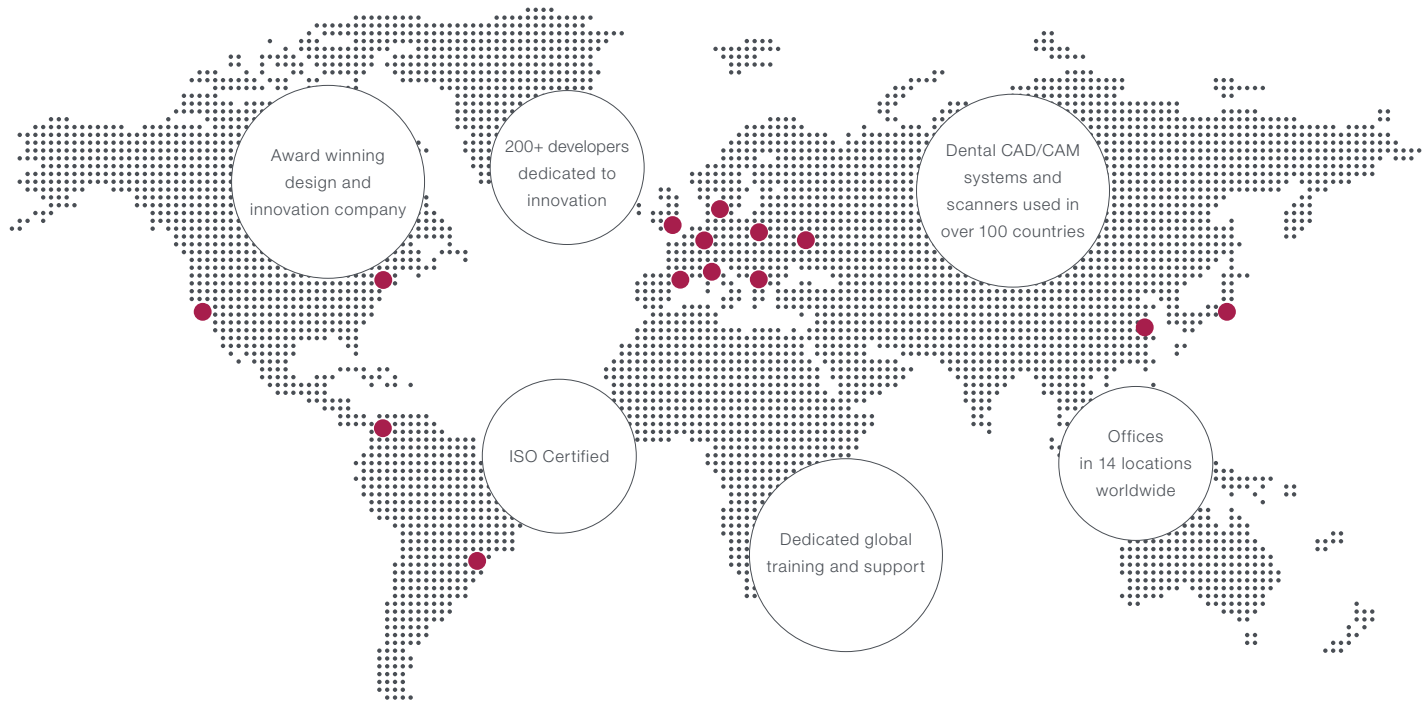

- ✓ 3Shape releases one or more significant software upgrades every year.
- ✓ Unlimited supplemental upgrades with extra features and enhancements.
- ✓ Upgrades can include new indications, tools, speed improvements, and more.
- ✓ Digital lab-specific Order Forms automatically updated as needed.
- ✓ Valuable trade-up programs.

### Global Support

CLINicare™ gives users access to 3Shape's worldwide network of authorized support experts, providing rapid assistance when and where you need it – and in your local language and time-zone. We wish to ensure that 3Shape users anywhere can easily and rapidly reach us when the need arises, and receive regional hardware maintenance and diagnostic services by authorized technicians.

- ✓ Access to 3Shape's worldwide support network.
- ✓ Online support tool gives authorized TRIOS® experts access to your screen for immediate handling of any issue.
- ✓ Primary local 1st line support provided by certified 3Shape representatives.
- ✓ Multi language 2nd line support force of more than 50 in-house 3Shape experts for special cases.
- ✓ 3Shape Support & Service Centers in all major regions.

## Backing dentists with care, technology and expertise

TRIOS® CLINicare™ is an integral part of your TRIOS® Digital Impression solution and annual 3Shape subscription. It bundles services that are designed to ensure your investment, secure maximum uptime, and help you get the most from your solution year after year.
